Anja's cancer journey

Building Projects

Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. *Philippians 4:6*

We have been wide open this year and can't believe how fast time has flown by. In January, we were in Texas preaching and singing and ministering to those in need. A ministry called Our Reasonable Service came and looked at the projects we have going on and said they would help if we got the material here. Then we went to Florida and back to Alabama preaching and singing and ministering to so many hurting people.

Sydney receiving the blessing of a new fiddle

In February, we went to Pennsylvania to Anja's Grandpa's funeral, driving through ice almost all the way there. We were able to build some shelves and redo Grandma's stairs. I got to pray at a Catholic church over the food and spread a little Jesus. We visited a good church on the Sunday we were there. The pastor asked me to present our ministry, Praise God! Then I preached to them on Wednesday. He introduced me to some other pastors that week. God was moving and met some great people. Then it was back home for our Revival at our church and Host a Missionary coming thru Then leaving Saturday to Go to Alabama then to LA. Then back to AL.

Anja's Cancer Journey  
*But thou, O LORD, art a shield for me; my glory,  
and the lifter up of my head.  
Psalm 3:3*

Thank you so much for the continued prayers! I never realized before this started how much of a journey the cancer battle really is! I am truly feeling mostly well! I am dealing with some side effects from all of the medicine, that are truly not major, but they do affect my daily living. Please pray we can figure out what is causing the joint pain. I am truly grateful for the goodness of our God!

*James 4: 14 KJV*

↪ Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away.

New tile in the cabin

Preaching and singing and sharing the gospel and encouraging God's people to keep on keeping on.

During spring break, we had a great time at Stoneridge Camp with some of my heroes of the faith and friends. God did some awesome things. Souls were saved and lives were changed. Hallelujah! The great people of God bought Sydney a new fiddle when hers broke. Living for God is the greatest life ever!

We have been home a few weeks working on the double wide cabin in preparation for the Ben Watson family (Still Ministries) and our preacher's conference. We got sick and behind schedule, but they jumped in and helped tremendously. We are forever grateful for them. There is still so much more to do as God provides.

Please keep us in your prayers and please pray God will provide the finances to finish the Tabernacle and other projects we have going on here and monthly support. Thank you!

## Vision & Goals

Where there is no vision, the people perish: but he that keepeth the law, happy is he.

Proverbs 29:18 KJV

Thus saith the Lord, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls...

Jeremiah 6:16 KJV

Prepare thy work without, and make it fit for thyself in the field; and afterwards build thine house.

## Proverbs 24:27 KJV

The Lord has been so good to us and we give Him all honor and glory! By His grace and provision we will continue in the work He has called us to.
